

JOB POSTING-MAINTENANCE SUPERVISOR/TEAM LEAD

Porter Corp., a leading manufacturer of "Structural Insulated Panels" and "Open Air Steel Structures", is looking for an experienced and capable leader to join our Maintenance Team, as a Supervisor/Team Lead. The ideal candidate will have experience in industrial repair with knowledge in all areas of equipment repair including mechanical, hydraulic, pneumatic, electrical, installation, setup and preventative maintenance. Will consider someone with journeyman status who has a minimum of 5 years industrial maintenance experience and proven leadership ability.

- Responsible for maintenance staff, maintenance on buildings and machines
- Research problems on machines and processes and work with other team members on solutions
- Run and analyze preventative maintenance and work order reports and schedule time to do repairs
- Research and handle purchasing of maintenance parts and supplies for machines and oversee that maintenance functions at maximum efficiency
- Participates in and leads training programs as needed
- Work with outside vendors/suppliers and contractors
- Involves significant physical activity including standing, lifting, bending, stooping and pushing, pulling and twisting
- Maintain machines for optimum capacity and safety
- Maintain buildings and grounds to ensure a safe and attractive and orderly environment for employees and visitors
- Perform other duties as assigned

REQUIREMENTS

- Strong mechanical knowledge
- Strong knowledge of hydraulics
- Strong knowledge of pneumatics
- Proven welding and torch operation ability
- Knowledge of assembly and disassembly
- Basic electrical, controls and PLC knowledge
- Knowledge and ability with machinery installation, rigging and setup
- Knowledge of lubricants
- Knowledge of preventative maintenance practices and procedures
- Strong troubleshooting skills
- Ability to envision, suggest and implement solutions to issues
- Must be organized, neat and professional
- Must be able to supervise, direct and lead the work of others
- 5 years or more of machinery repair experience (journeyman status preferred)

Benefits include: Medical, Dental, Vision, PTO, Holiday's, 401 (k), STD and LTD, Life Insurance, Uniforms, Employee Assistance Program.
